AUTHORHOUSE, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. As the war against Satan and his agents rages on, he has developed new methods of resistance. The devil and his evil forces now blend into the natural features of the environment, the art, culture and into different aspects of society's life; making it more difficult for the church to spot him and root him out. Knowledge now becomes a decisive factor in spiritual warfare! The Bible shows clearly that the people of God are either in captivity or destroyed for lack of knowledge (please see Isaiah 5:13 and Hosea 4:6). This book teaches the modern and advanced spiritual warfare strategies of Spiritual Geography, Spiritual Mapping, Prophetic Prayers, Prophetic Action, etc. However the author recognizes that it is the believer that is largely delivered that can deliver people and places while applying these principles. This book therefore offers deliverance to the would-be deliverer; showing how to identify and deal with family and environmental curses, etc. This book has been selected as a Bible School textbook and is blessing people in different nations in five continents of the world. You must read it and begin to wage war with knowledge!!!.
