World Council of Churches (WCC Publications). Paperback. Book Condition: new. BRAND NEW, Faces of the Other: A Contribution to Inter-Religious Relations and Dialogue, The Group 'Thinking Together', Hans Ucko, How can we, in the midst of our religious diversity, express common convictions and explore core issues present in all our religious traditions? The people of different faiths who constitute the multi-religious think-tank called 'Thinking Together', brought together by the WCC, are open to focusing together on some of the basic issues of belief and religion. This book carries a story from each religious tradition represented in the group, which reflects how that tradition has wrestled with how to look upon the other. The group hopes that these stories will contribute to a new reading of those dimensions in our religious traditions that help us provide or create space for the other as a significant other.
