

## Cyclone: My Story (Paperback)

Filesize: 1.33 MB

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Ebury Publishing, United Kingdom, 2013. Paperback. Book Condition: New. Reprint. 194 x 126 mm. Language: English . Brand New Book. On a hot summer s night, in June 1985, in one of the most emotionally charged fights of all time, Barry McGuigan beat Eusebio Pedroza to become the featherweight champion of the world. An epic battle that lasted a full 15 rounds, it remains one of sport s greatest moments - watched by 27,000 spectators ringside and by a further 20 million on television around the world. Raised in the border town of Clones, Co. Monaghan, at the height of the troubles, Barry McGuigan united people across sectarian and religious divides during a difficult time in the country s political history. A Catholic, Barry married his Protestant childhood sweetheart, Sandra in 1981. An Irishman, he fought for the British title, wearing boxing shorts in the colours of the United Nation s Flag of Peace - and in place of a national anthem his musician father, Pat McGuigan would often sing a heartfelt rendition of Danny Boy before a fight. Engaging and intelligent, McGuigan is a renowned and revered figure in the boxing world and beyond. In this candid autobiography, The Clones Cyclone shares his stories of extraordinary professional triumph and devastating personal tragedy.
