Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Black Sabbath: Master of Reality, John Darnielle, John Darnielle describes Master of Reality through a fictional character, a fifteen-year-old boy being held in an adolescent psychiatric centre in southern California in 1985. John Darnielle describes "Master of Reality" in the voice of a fifteen-year-old boy being held in an adolescent psychiatric centre in southern California in 1985. Adolescents in treatment are often required to keep a journal, and they write letters by the dozens: to their parents, to their friends on the outside, to the nurses who confiscate their belongings, to the teachers back at school who've offered them an outlet for their creativity. Our narrator has arrived in treatment with a Walkman and some tapes that are precious to him, only to have them taken away on the ground that their content is part of his greater problem. His various writings, aimed mainly at getting his tapes and Walkman back, will explain how Black Sabbath differs from their Satan-worshipping popular image, and how Master of Reality is an overtly Christian album, which it is. Our narrator will try to explain Black Sabbath like an emissary from an alien race describing his culture to his captors: passionately, patiently, and lovingly. This album has a genuinely remarkable historical status: as a touchstone for the directionless, and as a common coin for young men and women who felt shut out of the broader cultural economy. It'd be hard to overstate Ozzy Osbourne's totemic status among adolescents in the early eighties. His public image, cobbled together by his audience from occasional mainstream press mentions and niche magazine coverage, made him a nearly perfect sponge for the aggressive feelings of frustrated young men around the world. To this audience, who continue to occupy a an enormous if ghostly...
