Sourcebooks, United States, 2016. Paperback. Book Condition: New. 3rd. 150 x 127 mm. Language: English . Brand New Book. This updated, third edition laugh-out-loud take on partisan stereotypes skewers both sides of the political aisle with equal glee. The follies and foibles that make the political world spin will trigger guffaws and giggles-no matter which party you call your own. You Know You're a REPUBLICAN If . - You think Glenn Beck and Rush Limbaugh are intellectual powerhouses, and you've learned much from their wisdom. - You philosophically oppose government welfare plans, but you cash your Social Security checks religiously. - You've accepted that global warming is real, but you don't believe we should recklessly raise taxes to fix it. You have, however, invested in future beachfront property-twenty miles inland. You Know You're a DEMOCRAT If . - Everything you know about politics you learned from Jon Stewart and Stephen Colbert. - You're philosophically appalled by corporate America's emphasis on profits, but you sure were ticked off when your retirement investments tanked. - For a long time now you've known that: The sky is falling! The sky is falling! No, wait. The sky is cooking! The sky is cooking!.
