Eric Barr, United States, 2012. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book. Long ago, the Tinkers exiled themselves, sailing from the west of Ireland, their women weeping in despair over the men folk who had consorted on the sand with the shape-shifting Roan, non-human beings from Celtic myth. The sea-wives had returned in the shape of seals bearing pups that transformed to human children as soon as they touched the sand. Dark ones , the Tinkers called these offspring and claimed them as their own. Traveling to the New World, they found the spot where two rivers flowed together-a thin place, where myths from many cultures converged and legends came to life. There, for a century and a half, the dark ones stayed hidden and the town kept their secrets. That s how Conor Archer heard it in the days after he arrived at Tinker s Grove, Wisconsin. Three days earlier, the night his mother died, the seventeen year old was playing in a pickup band at a downtown Chicago Irish bar. A strange biker approached him, looked at Conor s webbed hands, pronounced him kin, and then took a chunk out of the boy s palm with weird pointed teeth. Racked with pain, he found himself at Buckingham Fountain, bleeding and delirious. He saw a woman there, washing her hair in the sparkling water. Dazzled by her beauty, he allowed her to wrap his bleeding hand in a piece of her dress. Incredibly, she aged to an old crone before his eyes, and then told him he had less than twenty-four hours to live. Conor made it back home to hold his mother as she passed, her last words a whisper for him to go to Tinker s Grove, his only hope...
