Reviews

It is an awesome book that we have possibly go through. It is actually written in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

LIFE ODDS AND ENDS

Lifi Publications, New Delhi, 2014. Soft cover. Book Condition: New. 20 cms. xiii, 166p. Life is an interesting puzzle that we all solve in our own ways. Here, four such puzzles take the form of stories in which friends, lovers and partners navigate the labyrinths of modern life. If Aliya, the protagonist in 'Drawing Parallels' is so good then why does she get involved with three men? Soul-mates? defines the connect between two childhood friends, Mira and Kusuma, in spite of the orthogonal surprising turns taken by their individual life. In 'Context?', a workplace friendship with Som, Kabir and Aman impacts Rituraj's promises to his wife. 'My World' finds Rumi navigating the pulls of family, career and self.
